THE SWEDBERG BROTHERS NURSERY

BATTLE LAKE, MINN.

Special Price List of Hardy Nursery Stock, Bulbs and Plants for the North

THIS LIST CANCELS ALL PREVIOUS PRICES

Our Nurseries are inspected by the State Nursery Inspector each year and a certificate showing freedom from diseases and insects will go with all our shipments.

TERMS—Cash with order, or one-third cash with the order, and balance before shipment, or we can ship C.O.D., if one-third is sent with order. Those that want to come here to our grounds for their stock may send in their order with their one dollar check or money order and we will book your order so as to be sure that you get the stock you need. Last year we returned many orders coming in too late, so kindly send your order in early this year.

We give three of one kind, or variety at dozen rates; 50 at 100 rate; 300 at 1000 rates. We can ship by parcel post or express; we use our best judgment in this if you do not give us instructions how to ship. State about when you want shipment sent. Always use order blanks.

While we exert the greatest care to have everything true to name, we will not assume any responsibility for errors that may occur, other than to replace any stock that may prove untrue or refund amount received for same. We replace all stock that fails to grow, at half price the following spring or fall, if reported to us after July 15th, or before August 15th.

All cuts in this list are true pictures taken at our Nursery grounds, either at the trial grounds or at the farm. We have many more that are better.

We appreciate your kind business of the past years, and we hope that we will be able to serve our customers better as the years go by.

Another block of our Hardy Pentstemon. Beautiful lavender color, nice for cut flowers. Prices, 50c each; \$5.00 per dozen. Strong plants at 75c each, \$7.00 per dozen. No discount.
